Attached is a draft response to the Harris County Attorney's letter to Suzanne Murray (also attached), regarding continued fishing around the site. I understand that this response needs to be sent quickly, so I would greatly appreciate your comments.

Thank you.

Good morning, Ms. Murray,

Apparently I did not have all the affidavits attached to the letter I emailed you from Rock Owens last week, so here is the letter with all the attachments. I have re-dated the letter with today's date, but the additional attachments is the only change. I will put the original letter in today's mail.

Thank you.
